

in our time - Ernest Hemingway

## In our time Ernest Hemingway (1899 - 1961)

This is the first edition of Hemingway's **in our time**, published in a very small run in France in 1924. And American edition was released the following year. There are 18 brief short stories---one might say vignettes---that demonstrate the author's early interests and his increasingly iconic literary style. - Summary by KevinS
